Sir:

Pursuant to the provisions of 37 CFR § 1.56 and §1.97-§1.98, Applicants hereby submit patents, publications or other information enclosed herewith and listed on the enclosed Form PTO-1449 (modified) of which they are aware, which they believe may be material to the examination of this application and in respect of which there may be a duty to disclose. This Information Disclosure Statement is filed after the first Office Action but, as far as is known to the undersigned, prior to the mailing date of either a final rejection or a notice of allowance, whichever occurs first, and is accompanied by the fee (\$180) set forth in 37 CFR § 1.17(p).

A list of the patents and publications is set forth on the attached Form PTO-1449 (Modified). A copy of the items on PTO-1449 (Modified) is supplied herewith, except for issued United States Patents and published United States Patent Applications. A concise explanation of relevance of the items listed on form PTO-1449 (Modified) is given only for the non-English language references.

The Examiner is reminded that a "concise explanation of the relevance" of the submitted items "may be nothing more than identification of the particular figure or paragraph of the patent or publication which has some relation to the claimed invention." MPEP § 609.

While the information and references disclosed in this Information Disclosure Statement may be "material" pursuant to 37 CFR § 1.56, submission of this IDS is not intended to constitute an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

You are authorized to charge the fee of \$180.00 set forth in 37 C.F.R. §1.17(p) to the credit card authorization enclosed herewith. The Commissioner is hereby authorized to credit overpayments or to charge any deficiency in a required fee to Deposit Account No. 19-3140. A duplicate copy of this sheet is enclosed. **A duplicate copy of this Notice is enclosed for this purpose.**

Respectfully submitted,
